

CSE 231 Website Scavenger Hunt

Bring up the CSE 231 website (<http://www.cse.msu.edu/~cse231/>). Explore pages on the website to locate answers to the questions below.

1. How many total points can you earn in CSE 231?
2. What is the email address for (at least one of) the TA(s) for the lab section you are taking?
3. When is your first programming project due?
4. When is your Lab 1 due?
5. How many parts are in the Pre Lab assignment for Lab 1? By when do they have to be completed? Do they have to be 100% correct?
6. How do labs affect your CSE 231 course grade?
7. How many exams do you have in CSE 231, and when are they given?
8. Who should you contact if you are unable to complete a project by the due date because of illness or personal emergency?
9. Who should you contact if you have a question about the grading of a programming project?
10. How can you get answers to questions about projects?
11. Where is the CSE 231 Help Room located and when will it be staffed on this coming Tuesday?
12. What is Piazza?
13. What is the 5th coding standard?
